THE PICTURE FRAMING WORKSHOP

From up-cycling to making memories last forever.

We can frame your wedding dresses, shoes or even the table numbers! If the whole dress is too large, simply frame the bodice & use the skirt as cushion covers.

If there ever is a day that you want framed memories then it's your wedding day. As well as photographs we specialise in framing wedding mementos and can even arrange wedding dress framing. You may never wear the dress again, but as a framed piece it becomes an everlasting reminder of the love, joy and happiness of your special day and creates a stunning piece of personal art for your home.

We have been proud to
work with happy and
satisfied customers from
all over the country.

Did you know...

All framing is carried out on our Chichester premises, so
your precious memories are never out of our hands.

Some of the wedding mementoes we have framed include:

- Seating plans and menus
- Wedding guest lists
- Cake decorations
- Dried bouquets and button holes
- Wedding invitations and orders of service
- Wedding photographs
- Champagne corks
- Wedding dresses and bridesmaids dresses
- Speeches

"What I like about photographs is that they capture a moment that's gone forever, impossible to reproduce." - Karl Lagerfeld
